Ohole yaKalunga movanhu

OUSHITWE nehololo oyo yo tai yandje oundobwedi wohole ya Kalunga. Tate yetu womeulu oye ondjovo yomwenyo, ounongo, noshoyo ehafo. Tala koikumwifa youwa woushitwe waye. Dilaadila kounapelo wao muwa keemhumbwe noshoyo enyanyu, hakomunhu ashike, ashike oko ishitwa aische. Etango olo tali yelele, nondula, oyo tai hafifa edu, omalufilu, omafuta noshoyo omaluhaela, aische ei otai tu lombwele ohole yomushiti. Omwene oye oo ha yandjelc eemhumbwe dakeshe efiku koishitwa Yaye aische. Moitya iwa oyo yomu Psalome-

“Omesho aaveshe otae ku dakamene;
Nohevape oipalwifa yavo peftmbo layuka.
Oto kamutula eke loye
Ndele to palula oinamwenyo aische kohokwe yoye.”
Omapsalme

145: 15, 16.

Omwene okwa shita ovanhu vawa, vayapuki novahafi; nedu liwa, shaashi olandja momake Omushiti, omo ihamu humbata sha shii, ile omudidimbe wefingo. Etauluko lomhango yaKalunga-omhango yoholeolo laeta oufiye noshoyo efyo. Nonande omo-maupyakadi oo eli onga oindjemo youlunde, ohole yaKalunga oya hololwa. Oshili shashangwa kutya Omwene okwa finga edu omolwa ouwa womunhu. Genesis 3: 17. Omakiya neeshosholo-omaud-juu nomamakelo oyo tai ningi onghalamwenyo yomunhu alonge nokundja oshimhi/epupyu noshoyo oukekaokwali yahoololwa omolwa ouwa waye onga oshitukulwa shedeulo lapumbiwa momulandu wOmwenc, omolweyambulepo okudja melumbakano nembadapalo olo oulunde walonga. Nonande ounyuni wa wilamo, halo exulilo leudonai nosho yo loluhondi. Moushitwe woovene omuna etumwalaka elineekelo nolehekeleko. Okuna eengala keeshosholo noshoyo komakiya oo atuvikwa komafa eengala.

“Kalunga oye ohole” noshili sha shangwa kukeshe ongala, nokukeshe onhemo yeengala dokelundu. Oudila ovo ta va imbi nomawi ohole omaimbilo chafo, owino wecngala odo diwa momutalelo no sho yo moku yandja edimba liwa momhepo, omi domilumbuti mofuka odo da yambapala moitai no sho yo omafo oo taa ulike nghee wa hapa, aishe ei otai yandje oundombwedi kolukeno, ku Tate na Kalunga ketu ou omutonateli, no kuna ehalo a hafife ounona vaye. [2]

Ondjovo yOmwene otai holola oukwatya waye. Ye yeemwene okwe shi koleka kutya Ohole Yaye oyaalushe nosho yo olukeno. Eshi Moses a ilikana, kutya “Omwene ulikilenge oshinge shoye” Omwene okwe mu nyamukula, oshinge pangelo ashishe shange oha ndi ke shi koyifa po pwoove (komesho yoye), Moses no kwi-inginda edina lange “Omwene Omwene Kalunga Omunanghenda Omunanghenda, Omunanheni noku mona oixuna efimbo lile, no ku yadi ouwa noshili, enine onghenda ovanhu omayovi, ou ta dimipo omanyonauno, nomatauluko nomatimba. Exodus 34: 6-7.”

Iha “ handuka diva, nonghenda yaye oinene,” “shaashi Oha hokwa ouwanghenda” Jona 4: 2, Mika 7: 18. Omwene okwa kwa-shipaleka omitima detu omuye noiningwanima oindjuu oyo etu ningila meulu no shoyo kombanda yedu. Moku pitila moinima younghitwe, noule wolukeno laye oku kwatela kumwe aishe yedu oyo omutima womunhu ushi, nokwa mona kutya osha yuuka oku twiihololela. Nonande pena oyo tai holola ohole yaye nande inai yuka. Nonande omaundombwedi aeshe oo okwa yandjwa omuton-dadi wouwa okwa pofipaleka omadilaadilo omunhu, opo va tale Kalunga vena oumbanda, noku mu dilaadila onga Omulandi no iha ndiminepo omunhu. Satana okwa ninga ovanhu va talele Kalunga mefano lii onga ou omuhandu-nhu mouyuuki-omuhandu-nhu, katokote moku pangula, omukukutu, omufendelifi / omupulingunga. Ota diladilile Omushiti onga omutonateli weisho lina ondumbo, moku tu ihololela omounyuni tuu ou, ohole Yaye oyo ihena exulilo, eshi Jesus eya oku kala mokati kovanhu, omolwa oku kufapo omudile / omudidimbe ou womilaulu.

Omona wa Kalunga okwe ya okundja meulu. oku tu hololela Xe “kapena nande omunhu umwe oo a mona Kalunga, oko kutya nee onaini, Omona ewifa olo tuu alike, olo la kala mekolo la Xe, olo lemu holola” Johannes 1: 18. [3]

“No kakuna ou ta shiiva Tate, Omona oye tuu aeke, naau Omona a hala oku mu hololela” Mateus 11: 27. Eshi utnwe womo valongwa vaye a ninga eidilo, “ Tu ulikila Xo,” Jesus okwa nyamukula “Onghee nda kala efimbo noule pamwe nanye, mboli natango ka mu shiinge, Fillipus? Oye tuu ou a monange okwa mona yoo tuu Tate, Ove oto ti ngahelipi hano tu ulikila Xo? Johannes 14: 8, 9.

Mondjokonona elalakano noilonga Yaye kendu eli, Jesus okwa ti, “Omwene okwa vaekange ndi udifile eehepele evaengeli, okwa tu mange oku xunga ava vena omitima da nyanyauka, okuudifa exupifo keenghwatwe, novapofi etwikululo, oku tembukifamo oonaku hepekwa.” Lukas 4: 18. Ei oyo ya li oilonga Yaye. Okwa kala no ku longwa ouwa, ta velula aveshe ovo va mangwa ku Satana. Ka kwali nande omukundu ile eumbo omo muhea eefya ile omunaundu, onghee keshe opo a enda okwa velula aveshe ovo va yehama. Oilonga Yaye oya holola shili kutya Oye omuvaekwa. Ohole, onghenda, nolukeno oya li ya hololwa mu keshe osho a ninga monghalamwenyo Yaye, omutima waye waya moku ya valela, onge kounona vomunhu. Okwa kufa ounghitwe womunhu, opo a hange oufikilo wehalo lomunhu. Eehepele nova lininipiki ka vali vena oumbanda okuuya puye. Nounona va shona ova li vemu mu hokwa. Ova li vehole oku londa komatundji, noku dakamena omesho koshipala, manga ta dilaadila moule, nolukeno lohole.

Jesus ina ngambeka nande oshitya shimwe shoshili, aishe ohei popi nohole. Okwe li hongwa oku yepa owii nosho yo omadiladilo oo onghalo yombili mo kukala pamwe novanhu. Kali ena omanganga, kena fiku a popile oinima yongaho, kena fiku a yandjele ouyehame komunhu. Ina nyona / tokola omaungone omunhu. Okwa popya oshili, alushe ta popi nohole. Okwa kala noku vela ombedi ovaluningifi / ovaliningifi, ova haitaveli, nosho yo oilonga ii, ashike omahodi alushe oku li mewi laye eshi ta kunghilile ovo ha ve mu sheke no ku va hanyena. Okwa kwena omolwa Jerusalem oshilando osho ali ehole, osho shaanya oku mwiitavela, ou eli ondjila, oshili, nomwenyo. Ove mu anya, Omuxupifi, ashike okwe va tala noku va yavelela neenghono. Onghalamwenyo yaye kali eivalula, no kwa li alushe ta dilaadila oku tonatela vakwao okcshe omunhu okwa li

[4] oshinima shiwa momesho aye.

Mokukala kwaye ineli valula yeemwene onga omunenenuKalunga. oshisho sholukeno laye oshili ku keshe oo ali oshi-

Iyo shepata la Kalunga. Mukeshe omunhu okwa monamo ekano lomwenyo, osho sha li elalakano laye lokuuya kedu opo a xupife. Oo ou kwatya wa Kristus ngaashi wa hololwa konghalamwenyo Yaye. Ou oo oukwatya wa Kalunga. Oshandja momutima wa Xe kutya omilonga dolukeno, dimonike mu Kristus ta di kungulukile moludalo lokedu. Jesus omunanghenda, nomuxupifi, okwa li Kalunga “no kwe luulika mombelela” 1Timoteus 3: 16.

Omolwa oku tukulila, eshi a kala noku mona oixuna fiyo omefyo. Nokwa ninga “Omunhu womaluhodi,” opo tu ninge ova kufimbinga mehafo laalushe. Kalunga okwa pitika Omona omuholike, eyandi onghenda noshili, okundja kounyuni oo woshinge ita shi dulu oku ndjokononwa, noku ya mounyuni wefyo nowefingo. Okwa tokola oku fiyapo, kwolukalwa mekolo lohole ya Xe, efimano kovaengeli, no kuuya a monwe oixuna yohoni, oku tukwa, eshundulo, outondwe, nosho yo efyo. “Evelombedi lombili yetu olali komapepe aye, no molwa oivandi yaye otwa velulwa.” Jesaja 53: 5. Tala nghee ali mombuwa, mu Getsemane, komushiakano! Omukena timba, Omona wa Kalunga okwe li twika omutengi wetu woulunde ou eli Umwe na Kalunga, a unda oundjuu momwenyo molwa etukauko olo oulunde hau eta pokati ka Kalunga nomunhu. Enota okundja komilungu, ekweno omolwa ouyehame, “Kalunga kange, Kalunga kange omolwashike wa eke la nge shi?” Mateus 27: 46 omolwa omutengi woulunde, omaliudo oupyakadi woungone, omolwa etukauko pokati komwenyo na Kalunganaashi osho sha hanaunapo omutima womona wa Kalunga.

Ashike eyambo eli linene ina li ningwa opo momutima wa Xe mu kale muna ohole yoku hola omunhu, ile opo a hale oku tu xupifa. Nande, nande! “osho Kalunga a kala ehole ounyuni, no kwa yandja Omona waye ewifa.” Johannes 3: 16.” Kalunga Xe oku tu hole, ha musha twa ninga opo etu etele onghenda, ndele okwe tu nana nonghenda yaye shaashi oku tu hole. Kristus okwa kala omupokati ou omuye a dula oku pitifila ohole yaye ihena exulilo omounyuni ou woulunde. “Kalunga Xe okwa kala mu Kristus, ta hanganifa ounyuni Omuyemwene.” 2Ovakorinto 5: 19.

Kalunga okwa mona oixuna opamwe nOmona. Moululume mu Getsemane, mefyo okomushiyakano, omutima wohole ihena exulilo wa futa ondado oyo yekulilo letu. Jesus okwa ti, “osho tuu Tate eholenge, shaashi oha ndi li yandjele Omwenyo wange, no

handi ulimonene natango,” Johannes 10: 17 sho osho nee, “Tate oku mu hole, unene Ame molwaashi deli yandjela omwenyo wange uninge oikulila yeni. Moku ninga omuponhele no ku kwashipaleka, moku iyandjela omwenyo wange, moku kufapo oungone weni, omatauluko, ohandi dulika ku Tate, ngaashi eyambo lange, Kalunga a yukipalifwe, nongaashi ova kwashipaleki vaye ovo va itavela mu Jesus.”

Kapena nande nande olyelye Omona wa Kalunga oye tuu aeke a dula oku wanifa omulandu wekulilo, ou oye tuu aeke ali mekolo la Xe a dula oku mu kwashipaleka. Ou oye tuu aeke eshi oule wohole ya Kalunga nota imonikila muye. Kapena sha vali shimwe osho shi heshi eyambo laalushe la ningwa ku Kristus ponhele yovanhu eshi va wila moulunde, no tali ulike ohole ya Xe omolwa ekano lomunhu.

“Osho Kalunga a kala ehole ounyuni, nokwa yandja omona waye aeke ewifa.” Ine mu yandja ashike a kale movanhu, a humbate omanyono avo, no kufya omolwa omayambo avo. Okwe mu yandja kovanhu va wila moulunde. Kristus ena oku liholo Yemwene nohokwe nosho yo omahalo ovanhu. Ou ali Umwe na Kalunga, okwe li yandja mekwatafano nounona vokendu, nepaya olo iha li tokoka. Jesus “ina fya ohoni oku ifanwa Omuheberi” (Ovaheberi 2: 11), oye eyambo letu, omupopiliko wetu, omumwameme ali molutu ngaashi letu, no ta hambula ounhu wetu komesho yoshipangelapundi sha Xe, no kwa kulila ovo volupe ali oule womido andishe Omona womunhu. Naaishe ei opo ulike ohole ya Kalunga, noku tukulilafana ehafo nouyuuki.. ondado oyo ya futwa omolwa ekulilo letu, eyambo laalushe la Tate yetu womeulu, eshi a yandja Omona afye omolwetu, nashi tupe epedulepo madiladilo kutya mokupitila mu Kristus oha tu kakala ofye oolyelye mbela.

Ngaashi omuyapostoli Johannes a wilikwa moku tala oule, pendu pombanda nounene wohole ya Kalunga omolwa oshiwana osho sha hanaunwa, okwa li a yandekwa efimano nosho yo omalaka elili no kulili opo a ndjokonone ounene, olukeno lohole ei, no kwiifana ounyuni opo wuye u imonene. “Tala kutya ohole yatya ngahelipi oyo ya tulwa mufye opo tu ifanwe ovana va Kalunga.” 1 Johannes 3: 1. Ongushu yashike oyo ya tulwa momunhu! Menyono mhango ovana vovanhu va ninga ova pika va Satana. Meitavelo leyambo la Kristus ovana va Adam va ninga ovana va Kalunga. meshon-

opeko lounghitwe womunhu, Kristus okwa yela omunhu. Nena omunhu eshi a wila moulunde ota tulwa peni? Mkwatafano na Kristus, ota va kala va wana oku ifanwa ovana va Kalunga” ohole yatya ngaha kaina oka yova. Ounona vohamba yomeulu! Omaudaneko mawa! Etindi loshipalanyole sha fimana mokwiilikana! Ohole ya Kalunga oyo ihena ondjele oku hola ounyuni oo uhena ohole naye! Edilaadilo olina eenghono meemwenyo no kweeta omadiladilo avo, mehalo la Kalunga. mokwiilonga neenghono oukwatya woukwa Kalunga mouyelele womushiyakano, omo yo tuu hatu mono onghenda olukeno, ediminepo lili mumwe nouyuuki, noshili / olela, omo yo tuu hatu mono omaudombwedi ohole oo itaa dulu oku valulwa, oo alushe nonghenda inene onga omukulukadi a etela okaana kaye olukeno molwa oku ha dulika kwako.

Ovalunde va pumbwa Kristus

Pehovelo omunhu okwa pewa owino wa wana nonghalamwenyo iwa yokupangela. Okwa li oshishitwa sha wana sha pewa, noshiyuuki. Ashike moku handulika, eenghono pangelo daye okwe di kufwa, nokwiihola mwene okwa pingenwapo kohole. Ounghitwe waye wa ninga oshingone molwo matauluko osho shahali shipu kuye, meenghono daye mwene, oku lwifa eenghono domutondadi. Okwa ningwa onghwatwe ya Satana, eshi ngeno ha molwa Kalunga ngeno a ka lelela moughwatwe. Osho sha li elalakano lomumakeli okwiimba elalakano lOmwene moushitwe womunhu, noku yandifa edu omupya nosho yo owike. No ku ulika owii aushe ou onga oindjemo yoilonga ya Kalunga moku shita omunhu.

Monghalo yoku hena oulunde, omunhu okwa li ena ekwatafano liwa nOmwene moku popya naye (pamapopyo) “omuye tuu omo muna ouyamba aushe weshiivo nounongo.” Ovakolosi 2: 3. Ashike konima yenyono laye, ina dula vali oku mona ehafo mouyuuki, no kwa hondama euyepo lOmwene. Eshi oshili tuu natango onghalo yomutima oo inau shitululwa. Ita shi endeke pamwe nOmwene, no pehena ohamu / ehafo mukupopya na Kalunga. omulunde ina dula oku hafa koshipala shOmwene noku ninipika oukaamafana / ekwatafano noishitwa iyapuki. Ta dulu tuu a pitikwe okuuya meulu, ita shi kala enyanyu kuye. Hamhepo yokwiihola mwene tai pangele mwinya - okeshe omutima tau dulika komutima wohole yaalushe - itau kwatafana naayo yemu pilamena.

Omadilaadilo aye, ohokwe, nelalakano, tai tu kumwe naavo iha va kwatafana / kala moulunde. Ota kala omutumhakanifi womanyolo omomikwelengendjo domeulu.
